Gift Guide 2016

## About Sonos

Sonos is the first name in wireless hi-fi speaker systems, making it easy for everybody to listen to the music they love in every room of their home. To hear the songs they love, to discover new music they never knew existed, and to appreciate it all with the highest sound quality.

## Who's It For?

Music lovers of all ages will love Sonos. Play all the music on Earth with speakers ranging from the compact and surprisingly powerful Play:1 to the flagship Play:5, or even a Playbar to bring great sound to your home theatre.

No matter what you choose, all are easy to set up and control with the free Sonos app for iOS, Android, Windows or Mac. Give the gift of music this holiday season.
